

## **INTRAY Smart Stand Twin**

### For denesting of trays on single or double lane

INTRAY Smart Stand Twin is the perfect tray denester for a production line with limited space and a steady flow of trays.

#### **Integrated control unit**

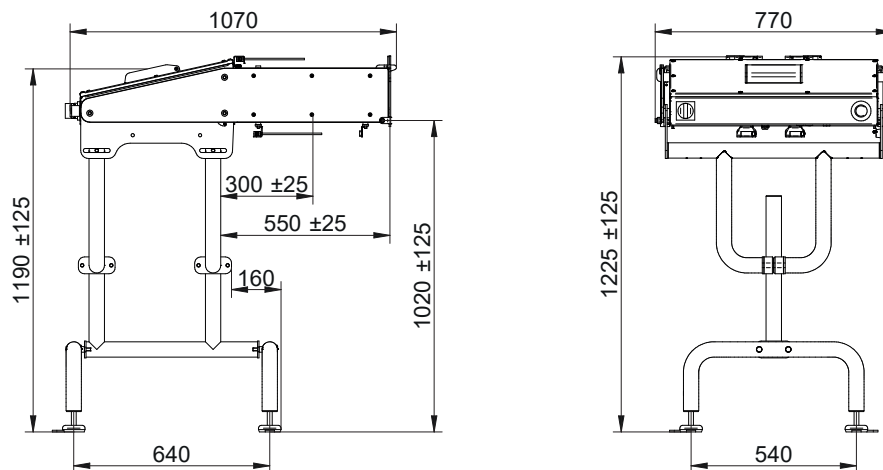

Smart Stand Twin comes with a custom-made Smart Tool Twin and an integrated programmable control unit.

The Smart Tool Twin can be effortlessly removed, and another placed in the Smart Stand Twin. The stand itself is constructed in stainless tubes, making cleaning easy.

# Technical specifications
